CAMPUS Barrie	

Why are you requesting to graduate without completing the required co-op work term(s)?
<p>I tried almost everything to get a coop, I changed my resume 50 times up-till now, I changed my coverletter many times, I tried to create resume and coverletter as it is given in the georgian connects but no response from any company. As a profession I always selected as a web developer or a software developer but however I didn't received more options also when I got chance, due I was selected for interview but never called got a job. I guess it is my mistake somewhere that I am not getting job, because I am not better then other. To change it I need more to work on myself so next time I will get a job That is the reason I am not doing project and the major reason to leave coop is because I haven't received coop.</p>

<p>I understand that my program has a co-op work term requirement and that I am asking to be permitted to graduate without co-op due to special circumstances. I have already applied to graduate from my program of study using the online application. ✓</p>
