Dear Recruitment Team**,**

I want to express my strong interest in working with **AMD** in the **Software Development Engineer 2** position. I am a self-motivated, progress-driven **Web Developer** with an extensive background in this industry, and I have two years of experience as a **Full Stack Web Developer.**

I handled various responsibilities in my previous role as a **Full Stack Web Developer position** and quickly established talents in prioritizing tasks, meeting deadlines and finding solutions to eliminate obstacles. My career enabled me to develop and develop skills in such vital areas:

✓ Experience in developing web applications using Frontend Tech such as **HTML, CSS, JS, WordPress** and **JS Frameworks** with **REST API**.
✓ Experience in backend technology to build and deploy websites using **PHP** and **PHP Frameworks**.
✓ Experience in developing websites and deploying them on live servers using modern frameworks like **Laravel, ReactJS, ExpressJS, AngularJS, Bootstrap**.
✓ Experienced in handling databases like **MySQL and MongoDB**.
✓ Experience in developing an E-commerce Platform using **WordPress (WooCommerce)** and **Shopify**.
✓ Experience in successfully developing websites using **Rest API** and fetching database from different sources like **Square-up**.
✓ Experienced in working in a team using **GitHub** and **Slack** using **Agile Methodology**.
✓ Eager to learn new technologies such as **AWS, Docker, GraphQL, Django, Python** and automation using **Python.**
✓ Experienced in developing website using Rich Snippet, Featured Snippet, managing Meta Tags for SEO Management.

I am grateful for the opportunities afforded me in my prior position.

I'm ready to put those **skills to use for AMD**.

I am looking forward to new challenges collaborating with a new team of talented professionals. I would greatly appreciate your **review of my enclosed resume** and outlined credentials, and I believe that I can be a **valuable addition** to **AMD** and its **business goals**. At your convenience, I am available for an interview or further discussion.

I look forward to your response.

Please have a look at **my work/portfolio at** https://www.pratikmore.com

Sincerely,

Pratik More
